

Ivan Dias

Lisbon, Portugal | (+351) 910616869 | ivandiasworkrelated@proton.me | <https://ivandiaswr.github.io/ivan-dias-portfolio/>

Objective

Experienced developer, proficient in .NET C#, seeking to join a dynamic team to expand my current skills and add new technologies. Eager to learn and adapt to new challenges, including back-end and front-end development. I am looking for a remote position.

Skills

Back-end: C#, ASP.NET MVC, RESTful API, MSSQL, Entity Framework

Front-end: HTML5, CSS3, JavaScript, React.js

Software: Visual Studio, MSSQL, IIS, Postman, Git, Jira, GitLab, Visual Studio Code

Languages: Portuguese, English

Experience

EDF Energy, Lisbon

May 2022 – Mar 2023

.NET Developer

- Conducted analysis of technical documentation
- Successfully maintained a web application using MVC in ASP.NET
- Efficiently handled tickets using Jira and Git, working collaboratively with the team to prioritize and address critical issues
- Identified and resolved issues productively using Visual Studio, resulting in a decrease of reported issues

Crédito Agrícola Bank, Lisbon

Dec 2019 – May 2022

.NET Developer

- Successfully maintained and developed RESTful APIs using MVC in ASP.NET
- Implemented a robust RSA Encryption feature for security
- Efficiently managed tickets using Azure and TFS, closely collaborating with a team of 6 developers to prioritize and resolve
- Developed SQL queries to efficiently retrieve data from MSSQL database
- Monitored and conducted API tests with Postman

Techtailors, Lisbon

Aug 2019 – Nov 2019

Full Stack Intern

- Developed features and maintained web applications using Web forms and VB.NET
- Implemented front-end features using Bootstrap and JavaScript, and conducted tests to ensure the user interface was user-friendly
- Integrated with Salesforce APIs for Authentication and CRUD operations

Education

ISTEC, Lisbon

Degree in Computer Science - Level 6 EQF
